Weight: 7.05lb
Dimensions: 12.36in x 8.58in x 1.73in

Price: \$545.00

Description

Artist T4.4V is 4 channel Class D amplifier for commercial audio installation.

Artist T4.4V carries the renowned high reliability and outstanding sound performance delivered by AUDIOCENTER system. Both two models are with low impedance output and 70/100V outputs. T4.4V is with ultra compact 1U design and half 19" rack space enclosure. With customized rack adapter, it allows for single installation or side-by-side (two devices) in a 19" equipment rack. Also can be mounted one table or wall.
