

DUBHE 10Q

Brand: RAM

Product Code: 0169

Availability: In Stock

Weight: 15.40lb

Dimensions: 13.50in x 19.00in x 3.50in

Price: \$3,555.00

Description

In the design it has been implemented the advanced RAM Audio Power Control Management to configure how to sharing the power between the channels according to the user needs, having the possibility to obtain in just one channel the maximum power. These amplifiers have many configuration possibilities such as bridge mode, subsonic filter, channel power limiter and signal link, among others, in order to satisfy the needs of any particular installation. These devices also can be equipped with a GPIO connection to interface with a third party control system.

Optional DanteTM and AES67 inputs are available for DUBHE amplifiers.

With all these configurations DUBHE amplifiers can meet the power requirements of any installation from 300 up to 2500 W.
