

## MDi2-6K

**Brand:** RAM

**Product Code:** 0191

**Availability:** In Stock

**Weight:** 13.20lb

**Dimensions:** 10.60in x 19.00in x 3.50in

**Price: \$2,639.00**

### Description

A new generation of QuantaPulse™ switching mode power supplies with Power Factor Correction (PFC) to improve efficiency, with a schematic thought to give a very high capacity of instantaneous power, together with very evolved high efficiency audio modules in class D with an excellent quality of sound, are the basis on which RAM Audio developed this series that is capable of offering the most optimal solution to the very exigent fixed-installations market.
