

MDi4-6K

Brand: RAM

Product Code: 0193

Availability: In Stock

Weight: 16.50lb

Dimensions: 15.50in x 19.00in x 3.50in

Price: \$2,999.00

Description

A new generation of QuantaPulse™ switching mode power supplies with Power Factor Correction (PFC) to improve efficiency, with a schematic thought to give a very high capacity of instantaneous power, together with very evolved high efficiency audio modules in class D with an excellent quality of sound, are the basis on which RAM Audio developed this series that is capable of offering the most optimal solution to the very exigent fixed-installations market.
