

## 6MCF200Nd 8oh

**Brand:** BEYMA  
**Product Code:** 0211  
**Availability:** In Stock  
**Weight:** 5.27lb  
**Dimensions:** 7.87in x 7.87in x 3.54in

**Price: \$532.74**

### Description

- ? Very high efficiency mid-range driver
- ? Carbon fiber cone for optimum loading behaviour and low distortion
- ? Extremely linear frequency response
- ? 2" aluminium voice coil
- ? 400 W Program Power
- ? High efficiency and sensitivity
- ? Shorting cap for extended response
- ? FEA optimized neodymium magnet structure
- ? Sealed cast aluminium frame
- ? Designed for high performance mid-frequency line array
