

TD-365

Brand: BEYMA

Product Code: 0350

Availability: In Stock

Weight: 3.09lb

Dimensions: 9.84in x 9.84in x 5.12in

Price: \$94.00

Description

This 1.4" entry horn is designed to provide uniform on and off-axis response. The constant directivity characteristics of this model ensure the ability to cover 60° wide horizontally and 50° wide vertically, at virtually any frequency within its operational range. To ensure freedom of resonance, this flare is constructed of cast aluminium, with flat front finish for an easy flush mounting.

- Designed for compression drivers with 1.4" throat diameter
- It provides uniform response, on and off-axis with a neutral and natural frequency reproduction
- Coverage angles of 60° in the horizontal plane and 50° in the vertical plane
- Precise directivity control in the pass band
- Its square form provides more versatility to mount it in the box
