

# 10MCF400ND 8oh

**Brand:** BEYMA  
**Product Code:** 0004  
**Availability:** In Stock  
**Weight:** 14.59lb  
**Dimensions:** 11.42in x 11.42in x 7.09in

**Price: \$854.00**

## **Description**

- ? Very high efficiency mid-range driver
- ? Carbon fiber cone for optimum loading behavior and low distortion
- ? Extremely linear frequency response
- ? 4" edge wound aluminum voice coil
- ? 800 W program power
- ? High efficiency and sensitivity
- ? FEA optimized neodymium magnet structure
- ? Sealed cast aluminum frame
- ? Designed for high performance mid-frequency line array and horn loading applications
