

10MCF400ND 8oh

Brand: BEYMA

Product Code: 0004

Availability: In Stock

Weight: 14.59lb

Dimensions: 11.42in x 11.42in x 7.09in

Price: \$683.99

Description

- ? Very high efficiency mid-range driver
- ? Carbon fiber cone for optimum loading behavior and low distortion
- ? Extremely linear frequency response
- ? 4" edge wound aluminum voice coil
- ? 800 W program power
- ? High efficiency and sensitivity
- ? FEA optimized neodymium magnet structure
- ? Sealed cast aluminum frame
- ? Designed for high performance mid-frequency line array and horn loading applications
